OUR MISSION

VISION
United Way of Southwest Wyoming will create sustainable and measurable results to improve lives through collaborative leadership and address critical community issues.

United Way is working to advance the common good by focusing on education, health, and basic needs. Our goal is to create long-lasting changes that prevent problems from happening in the first place. We invite you to be a part of the change. Together, united, we can inspire hope and create opportunities for a better tomorrow. That’s what it means to LIVE UNITED.

THE IMPACT OF THE ANNUAL CAMPAIGN

The annual United Way workplace campaign is an opportunity for all of us to make a difference. Agency programs in Lincoln, Sublette, Sweetwater and Uinta Counties receive grants to meet community needs in the areas of education, health and basic needs. Funds distributed are from individual pledges, mostly from the workplace campaign, combined with company matches and gifts.

In addition, through direct donations, events, sponsorships and grants we are able to provide Community Diaper Banks and Dolly Parton’s Imagination Library in Southwest Wyoming.

Together, we can make a difference for our friends and neighbors. Every pledge counts.

Because of partnerships and volunteers, the impact to our community often exceeds the dollars raised, stretching donor dollars as far as possible.

You can find our financial reports and IRS Form 990 at swunitedway.org/accountability.

The amounts awarded in each county is directly tied to the amount raised in that county through the annual campaign. Each local Community Solutions Team reviews grant applications to make award recommendations to the Board of Directors.
Through a partnership with Scholastic, we received 3,006 books to distribute, for free, to children ages 4-10 years old.

GOAL
United Way will build and participate in collaborations that will affect a measurable increase in kindergarten readiness, third-grade reading scores, and high school graduation rates.

HOW DOES THIS HAPPEN?
Our education goal does not fall on teachers. We want to provide extra support to help students succeed while they are in school, so they can learn everything they can. Our community partners in education are working to meet these goals.

STATS
• Studies show that children enrolled in an early learning program showcase the following: better behavioral patterns, higher IQ when entering kindergarten, faster learning, higher socio-economic outcomes later in life, higher earning potential.

• Third grade has been identified as the final year children are learning to read, after which students are reading to learn. If they are not reading at a proficient level when they start fourth grade, as much as half of the curriculum they are taught will be incomprehensible.

• While the Wyoming Department of Education has announced the graduation rates are up across Wyoming as a whole, that is not the case for our coverage area (Lincoln, Sublette, Sweetwater and Uinta Counties). Graduation rates decreased in five of the nine districts. Fremont county had five of eight districts decrease.

• After-school programs can boost academic performance, reduce risky behaviors, promote physical health, and provide a safe, structured environment for the children of working parents.
GOAL
UWSW will build and participate in collaborations that will improve access to and availability of healthcare.

WHAT DOES THAT MEAN?
Wyoming is beyond rural, it is considered frontier, making access to healthcare difficult. We want people to be able to get to the doctor when needed.

HOW DOES THIS HAPPEN?
Our community partners in health are working to meet these goals. In addition, we have partnered with FamilyWize to provide a discount on prescription drugs, primarily for those that are uninsured.

STATS
• 14% of Wyoming residents are uninsured
• Local community town hall meetings revealed that transportation is a barrier to receiving healthcare

GOAL
UWSW will foster an integrated set of community-wide services to optimize individual’s ability to meet their basic human needs in the areas of Food & Shelter; Safety; Transportation; and Financial Stability.

WHAT DOES THAT ALL MEAN?
We want everyone to have enough food to eat, have a safe place to live, be able to access services and know how to manage their finances.

HOW DOES THIS HAPPEN?
Our community partners in basic needs are working to meet these goals. Donors and volunteers play a huge part in making these programs successful.

STATS
• Wyoming unemployment rate rose to 9.2% in April 2020
• 1 in 6 children in Wyoming struggle with hunger, 1 in 8 people (Feeding America)
• 11.1% of people in Wyoming live in poverty (census.gov)
• In Wyoming, 1,703 students are experiencing homelessness
SUCCESS STORY

Community Partner: YOUNG AT HEART EARLY LEARNING CENTER

This year, the Early Learning Center was able to expand their kindergarten prep enrollment with the addition of another k-prep classroom, enrolling an additional 12 children into k-prep. This also allowed them to keep classroom sizes to 12 kids with each having one teacher. This classroom experience closely mimics that of what the kids will experience when they begin their formal education. Teachers have the opportunity to collaborate with and to develop an even more meaningful curriculum and learning opportunities for the children.

Community Partners: SAFV UINTA COUNTY
YWCA OF SWEETWATER COUNTY

SAFV and YWCA provide services to victims of domestic violence and sexual assault. SAFV and YWCA collaborate with multiple cases each year to effectively provide services as abuse can happen across county lines. In some cases, abuse happens in one county and the person lives in a neighboring county. When this happens, SAFV and YWCA coordinate to provide advocacy and protection order services in the appropriate County. Shelter services have also been coordinated to find the safest place for the victim to stay. United Way of Southwest Wyoming funding allows SAFV and YWCA to continue to partner and collaborate together to assist victims across Southwest Wyoming, wherever they may live, play, or work.

David is very shy and quiet and is being raised by his grandmother. He began Club where he made friends and found a safe place to go after-school. David joined the Professionals in Training program where he virtually job shadowed over 20 potential careers and became intrigued with Physical Therapy, a field he was previously unaware of. He researched school requirements to be a Physical Therapist, and learned the potential income...he was convinced that was the job for him! David spent over four hours shadowing a Physical Therapist at Impact Physical Therapy. He got great advice about what subjects in school to really focus on and what college is like for Physical Therapy. Although David is only in Middle School, he is learning about anatomy all on his own and anything else about Physical Therapy that he can. He cannot wait to be a Physical Therapist someday soon!

Community Partner: LINCOLN SELF RELIANCE

Transportation is a huge barrier for some, a thing many of us overlook or don’t think about because we can go places with ease. For one of LSR’s clients, transportation has always been an issue. Not only is she limited to a wheelchair, but she can’t travel in just any vehicle because the wheelchair she uses doesn’t collapse. The grants received from United Way have helped LSR obtain a wheelchair accessible bus. This bus has made a huge difference in her life. LSR is able to take her to many different places to do many different things. She has traveled to Special Olympics, Disney on Ice, and Idaho Falls and Salt Lake zoos. She’s able to do every day activities like grocery shopping, going out to lunch, going to the movies, bowling, and to attend her medical appointments. One of the biggest, best things the client enjoys and appreciates is the fact that with the bus she can be transported to her family events. She doesn’t have to feel like she is missing out anymore because there isn’t any way for her to attend. With the help of United Way, LSR is able to provide a better-rounded and successful life for the clients they serve.

1 IN 3 U.S. FAMILIES EXPERIENCE DIAPER NEED.
WE WANT TO CHANGE THAT.

United Way Community Diaper Banks of Southwest Wyoming is working with individuals, community organizations, and elected officials to help get clean diapers to babies who need them.

When we relieve the burden of diaper need we keep the babies in our community clean, dry and healthy while creating financial and emotional breathing room for families. Diapers are a basic need for a baby, they are essential to a baby’s health and well-being, but the lack of an adequate supply of diapers has a profound effect on a child's entire family.

COMMUNITY DIAPER BANK OF SWEETWATER COUNTY
Families in need can receive diapers at the Food Bank of Sweetwater County during their designated distribution days. Donations can be brought to the United Way of Southwest Wyoming office or the Food Bank of Sweetwater County.

COMMUNITY DIAPER BANK OF UINTA COUNTY
Currently there are two diaper bank locations in Uinta County. The Evanston Diaper Bank is open the first Monday of every month from 12:00 pm - 3:00 pm at the Uinta B.O.C.E.S. #1 building - room 103.

The Bridger Valley Diaper Bank is open the first Tuesday of every month from 11:00 am - 2:00 pm and is located in Lyman Town Hall.

WAMSUTTER COMMUNITY DIAPER PANTRY
The Wamsutter Community Diaper Pantry began distributions on November 4, 2019, from the Wamsutter Community Health Center located at 401 Fultz Drive. Diapers are distributed between 9:00 am – 3:00 pm, Monday through Thursday.

The Wamsutter Community Health Center is providing in-kind storage and office space for distribution. Families in need can receive one package of diapers per child, up to two times per month. This is a free service for families experiencing financial hardship; there are no income requirements.

What diaper need feels like.
YOU CAN NEVER GET ENOUGH BOOKS INTO THE HANDS OF ENOUGH CHILDREN.

As part of our early education initiative, parents in Fremont, Lincoln, Sweetwater and Uinta counties can enroll their children, ages birth to five years, into Dolly Parton’s Imagination Library in Southwest Wyoming. Through this program, enrolled children will be mailed one free, age appropriate, book each month.

United Way of Southwest Wyoming raises funds to pay for the shipping of the books, promotes the program, registers the children and manages the database. From there, the Dollywood Foundation manages the shipping of the books.

The average cost per child a year, is $30. This is a great deal for 12 books!

GRADUATION MATTERS.
GET INVOLVED IN EARLY CHILDHOOD LITERACY.

The Fremont County School District #25 Graduation Matters Committee hosted their 5th Annual Men Who Cook Fundraiser on February 15, 2020, in Riverton, WY. Local celebrity chefs provided gourmet food samples at the Fremont Center. Proceeds benefit Dolly Parton’s Imagination Library in Fremont County.

United Way of Southwest Wyoming and Graduation Matters Riverton partner to bring Dolly Parton’s Imagination Library to local families. The Graduation Matters strategic plan calls for: kindergarten readiness, higher third grade reading scores and improved high school graduation rates.
ANNUAL CAMPAIGN
Your annual gift is used to further our education, health and basic needs initiatives in the county you designate. Gifts are received directly, through payroll deduction or online.

ENDOWMENT / PLANNED GIVING
Your generous gift to United Way's Campaign impacts lives today. Your investment in the endowment fund impacts lives forever. A donation made to United Way of Southwest Wyoming's Endowment Fund in the form of cash, securities, a life insurance policy, a retirement plan, or real or personal property provides for the long-term needs of our community. The principal of your gift stays in United Way of Southwest Wyoming's Endowment Fund indefinitely, while the interest is paid to United Way of Southwest Wyoming. You can endow your annual gift in a lump sum gift or in multiple gifts over several years. Please note when including our United Way in your plans to specify United Way of Southwest Wyoming. If you would like information mailed to you, please contact us.

MEMORIAL GIFTS
Making a gift in memory of your loved one is another valuable way to benefit our community—now and for generations to come. Even at the most sorrowful times in our own lives, making a memorial gift can greatly impact the lives of others.

Simply by stating "in lieu of flowers, the family suggests making a donation to United Way of Southwest Wyoming," you choose to make a lasting tribute to your family member or friend. Memorial gifts are a way for us to honor our loved ones and bring hope in a time of sorrow.

VOLUNTEERING
Volunteering is a gift in itself. With many companies also donating to your cause when you volunteer, be sure to see if your employer offers this type of program.

Smith's Inspiring Donations will donate 0.5% of every eligible purchase made by supporters to the organization that the customer has linked to their rewards card. Enrollment for supporters will continue to take place on-line. smithsfoodanddrug.com/l/community/smiths-inspiring-donations

WHY I GIVE
“I give so that the people I love and care for live in a world where all people are loved and cared for.”

JOSH DEAN
Landmark Society Member, Volunteer

Landmark Society members are the heart of United Way of Southwest Wyoming. These individuals are committed to building better communities through their annual donation. Their loyal support keeps us moving forward.

Founded in 1995, the Landmark Society was established to recognize donors that invest $500 or more annually. Members are given a plaque their first year of giving with a medallion that features a landmark in Southwest Wyoming. With each annual gift they are given a new landmark medallion to add to their plaque.

As a Landmark Society member, you combine public purpose with private giving to make strategic investments focused on education, health and basic needs. Because United Way only funds programs with proven methods that match our community’s needs, you know that your investment is really making a difference.

RAISING FUNDS FOR DOLLY PARTON’S IMAGINATION LIBRARY

With the support of local businesses and golfers $17,136 was raised for Dolly Parton’s Imagination Library in Southwest Wyoming. “This golf tournament continues to help send books to children in our communities,” said Kelly Frink, Executive Director. “The Imagination Library helps children become kindergarten ready. Our program has sent over 257,784 books to children in our communities since its inception,” said Frink. We partner with Dolly Parton's Imagination Library to bring this program to our communities. It allows children ages birth - five to receive one free age appropriate book every month.
VOLUNTEER WORK THAT CAN MAKE A DIFFERENCE IN JUST ONE DAY
United Way of Southwest Wyoming’s Annual Helping Hands Day generated over $22,503 worth of services for those in need in the community. This event matches volunteers with improvement projects in Sweetwater County. These improvements benefit local senior citizens, persons with disabilities and non-profit groups. Projects include facility repairs, renovations and beautification projects. Over 135 volunteers donated 669 hours of service this past Helping Hands Day.

FEDERAL FUNDS AWARDED TO LOCAL NONPROFITS

United Way of Southwest Wyoming and the Local Board for the Emergency Food and Shelter Program (EFSP) awarded funds to agencies in Fremont, Sweetwater and Uinta Counties to provide emergency food and shelter services. This funding includes Phases 35, 36, and 37, which is allocated from the EFSP National Board. In addition, supplemental funds under the Coronavirus, Aid, Relief and Economic Security (CARES) Act were also awarded.

United Way of Southwest Wyoming functions as the convening organization for Sweetwater County and provides the administrative support for EFSP’s fund distribution through a Local Board for the EFSP, which is responsible for making annual disbursement decisions among local emergency food and shelter programs that apply for funds. For Phases 37 and the CARES Award, the Local Board brought on Fremont and Uinta Counties to ensure that these funds were distributed.

At the federal level, distribution decisions are made by a National Board that is chaired by the Federal Emergency Management Agency and consists of representatives from American Red Cross, Catholic Charities USA, Council of Jewish Federations, National Council of Churches of Christ in the USA, The Salvation Army, and United Way Worldwide.

Funds from EFSP are distributed to each county in the United States based on its current population size, unemployment rate and poverty rate.

Grant funds must be used to supplement food and shelter services and may not be used as seed money for new programs. Agencies may receive funds to provide food, shelter and supportive services including but not limited to:
• Food services, such as congregate meals or groceries
• Lodging in mass shelter, or hotel/motel limited to 30 days per individual/household
• One month rent or mortgage assistance to prevent eviction or foreclosure
• Utility assistance for one month of service for gas, electric and water service
• Supplies, including but not limited to cleaning supplies, and small equipment essential to feed or shelter people, not exceeding $300 per item
